User Manual

ORION LuxorLight   [ORFX2]

Product Description

The ORFX2 uses six 3W LEDs (2 red, 2 green, 2 blue) to produce colorful lighting and strobe effects suitable for parties and small entertainment venues.   The fixture can be operated in either Auto mode, or Audio mode with adjustable sound sensitivity.

Warnings

- For indoor use only
- Use with a grounded mains power supply
- Locate on a flat surface away from excessive moisture and vibration.
- Caustic chemicals or liquids can cause damage to the housing.
- Operating temperature: below 40°C
- Do not remove or break the warranty label.
- Do not disassemble the fixture yourself. Please consult a professional technician for service and repair.
